Welcome to the Community Care Plan (CCP).

CCP is here to meet all your health care needs in GLADES County.

First, you need to pick a doctor. You must get your care from our doctor. The doctor will send you to a specialist if you need one. We have many doctors for you to pick.

The following specialty services do not need referral from your doctor:

• County Health Department Services
• Family Planning Services
• Federally Qualified Health Centers (FQHCs) (for select FQHC services)
• Dermatology services (5 visits/calendar year)*
• Chiropractic services (21 years of age or older) (10 visits/calendar year)*
• Podiatry services (4 visits/calendar year)*
• Obstetrician & Gynecologist (Annual Well Woman Exam)*
• Ophthalmologist & Optometrist (Eye exam)* *Must be CCP providers.

Next make an appointment with your doctor. This will give him/her a chance to get to know your health needs. Don't wait until you are sick to see a doctor.

This book gives you a list of:
• Primary Care Providers (PCP)
• Specialists
• Hospitals
• Pharmacies
• Independent Laboratories

*Some providers may not perform certain services based on religious or moral beliefs.
